From The Grand Knight

Greetings Brother Knights

The budget will be presented at the August meeting. I have prepared an estimate of our income and expenses for the council. During the meeting we will go over the budget and make changes. Bingo and Pull Tabs bring in most of our income. Smoke Free Bingo seems to have increased our weekly income over the last month. I invite everyone to attend the meeting and make suggestions for the upcoming year.

Every year we enter a float in the 4th of July parade, and collect donations for the fireworks. Bob Kostin is in charge of getting everything organized. He did an excellent job this year. We collected over \$1400 for the fire-

works and showcased the playhouse built by the youth at St. Vincent's for Habitat for Humanity. The only big problem came when the playhouse had to be lifted from the parking lot to the float. We were running out of good ideas when Mikels' Towing pulled up with two of their wreckers. They used the wreckers to lift the playhouse as we backed the trailer under it. It worked great.

Our KofC Fish Fry's will start next month. Please check the schedule and see what team you are on. Brian Grissom is in charge of the Fish Fry's and will be getting with the captains. If you are not on a Fish Fry team or would like to work on more than one team contact Brian and he will add you to a team.

Grand Knight, Dan Tinsley

Once again, I would like to thank Bob Kostin (and not because he is our new District Deputy) for all the hard work he put into our 4th of July activities. He did an excellent job organizing everything. Thanks Bob.

Fraternally,

Dan Tinsley, GK

Greetings Sir Knights

We finally have a new Purser and it is John Dufresne. Thank you John for filling this important position. I also would like to thank Jim Heffernan for the fine job he has done over the past 3 years. He has always had his books in order and has been a credit to his position.

We have a change in our meeting

night for the 4th degree. We have made it the 3rd Tuesday of every month. This will be a permanent change. We voted on it after a general discussion and decided it would be best. I know it will inconvenience some, but no matter what night we make it someone will be inconvenienced.

We are also in the process of getting our by-laws written for the 4th degree. This is something I started towards the beginning of my term and should have it finished before the end of my term.

If anyone is interested in getting rid of some of their 4th degree regalia such as swords, capes, chapeau, tux we will be having a lottery drawing in August to pass these things along

to those interested in getting their regalia. We have Art Krol's complete outfit. Some of you may have your old sword or cape to get rid of. This will be a great time to clean out your closet.

Don't forget about the 4th degree exemplification in Batesville on September 27th & 28th. I have the forms if anyone is interested. This is very close to us and would be a great opportunity for you to complete your journey to Knighthood. We already have 3 or 4 interested in going so please give it some thought.

KC Insurance

Since its addition to the Order's product portfolio in 2000, long-term care insurance has provided the Knights of Columbus with an excellent opportunity to further serve members and their families. And, for our long-term care clients in the United States, a K of C Care policy brings added value. That added value is in the form of a service called "Provider Pathway," a program offering access to a network of long-term care providers at discounted rates. The network covers home health

care, personal emergency response systems, adult day care, assisted living, skilled nursing facilities and durable medical equipment. Eligibility for participation in this program is open to Knights of Columbus Long-Term Care Insurance policyholders, their spouses, dependent children, parents and parents-in-law. All providers are fully credentialed and meet state licensing requirements. If you haven't yet spoken with your professional Knights of Columbus agent about long-term care insurance, you owe it to yourself to do so. There are many decisions to make in choosing a plan- benefit amounts

and durations, a facility only plan or one that covers home health care, and the length of the "waiting period" before benefits kick-in are just a few of the items you'll need to consider. Having a professionally trained agent--- and a brother Knight at that--- to help you through the process is yet another valuable benefit that comes with your Knights of Columbus membership. Take advantage of it. Give me a call or email.

Knights Team With Habitat & Summer Enrichment Program

During the week of June 30-July 4, Habitat for Humanity, the Knights of Columbus and the St. Vincent's Summer Enrichment Program came together to build a playhouse for Habitat for Humanity. The playhouse was featured on the Knights of Columbus float during the 4th of July parade. The supplies and materials were donated through Habitat. Children from the Summer Enrichment Program, with help from volunteers and Knights, built the playhouse and decorated the float. The Children learned very important lessons on building, tool handling, and preparing them to be better informed citizens of the world. Special thanks to Jym Littrell, who played a major part in getting this all done and Mikels' Service for placing the playhouse on top of the float. Raffle tickets are now on sale for the playhouse. The drawing is December 6 after the Christmas Parade. All the benefits will go to the Lawrence County Habitat for Humanity Supplies and Materials fund. Thanks to all who helped.
